GLENEAGLES ISN'T JUST A GLORIOUS PLAYGROUND FOR GROWN UPS!

We've got a whole host of activities for children of all ages with our October Half-Term programme.

With a wide selection of outdoor, trail-based activities from bug hunting and nature science to tree climbing and woodland skills, as well as our Glen Top Ten activities, we've got plenty to keep our junior guests entertained.

We have created a fully supervised all day activity programme for kids of all ages. Just drop your young ones off (dressed for the Scottish weather!) with our team at 9.30am and get ready

to hear all about the days adventures when you collect them again, 3-4 yrs will be ready for pick-up at mid-day and 5+ yrs at 3.15pm. It really is the best of both worlds, a chance for you to fit in a spa treatment, a peaceful stroll around the estate or a leisurely lunch safe in the knowledge that your child is off exploring, meeting new friends and learning new skills.

We provide lunch, snacks and refreshments throughout the day so there really isn't anything for you to think about! Drop off and pick up from The Den.

Take a look at the full programme on the next page!

3-4 YRS

An action packed programme designed to encourage interaction, learning and discovery. Activities will include woodland skills, bug hunts, growing garden as well as getting messy with arts and crafts.

5-7 YRS

A chance for your little ones to learn new skills and get close to nature. It's not just about learning - they'll also have plenty of time to burn off some energy!

8+ YRS

Time for perfecting existing skills or learning new ones. Great for the kids as they put into practice their hand eye co-ordination with activities like archery and air rifle shooting or try their hand at golf.

THE GLEN TOP TEN

Whether you're taking aim, teeing off, climbing trees, or heading off-road, activities and pursuits at Gleneagles are for all ages, and we're committed to providing our junior guests with opportunities to enjoy as many adventures as the adults. With so many on offer, the tricky part is deciding which one to try first!
