

GLENEAGLES

Perfect days for Incentive Groups

THREE NIGHTS

DAY 1

WELCOME TO GLENEAGLES

Arrive at Edinburgh or Glasgow airport and lean back as our chauffeur service sweeps you away to Perthshire, where 850 acres of hills, fields, streams and adventure awaits you within a 50 minute drive.

3PM

Arrive to the hotel with a friendly hello at the door from one of our majestic Golden eagles. Then head to The Parlour or the Billiard Room, two spaces in the heart of the hotel perfect for private check-ins. Enjoy some light refreshments while our porters ensure your luggage gets taken to the rooms.

6PM

For your first evening head to Ochil House, perfect as an exclusive space for bespoke events, and enjoy an informal welcome cocktail reception and spend an evening experiencing a world of culinary delights; including impressive tableside theatre as you dine.

DAY 2

THE GLORIOUS PLAYGROUND

8AM

Start the day tucking into our legendary breakfast in The Strathearn: indulge in smoked salmon, a full Scottish breakfast, made-to-order pancakes, a Bloody Mary and lashings of coffee before immersing yourself in our exhilarating program of pursuits.

9:30AM

Get those all important meetings out of the way and host your productive team strategy session in one of our many meeting spaces. Take a mid-morning break and invigorate and re-energise with our bespoke smoothie station and healthy snacks to fuel you for the rest of the day ahead.

12:30PM

Nip back to the hotel for lunch at leisure in The Birnam. After lunch, explore our estate further using our iconic Pashley bikes, or book a luxurious treatment to get rid of any aches and pains in our newly refurbished Spa.

6:30PM

In preparation for the evening's dining excursion, we'll deliver kilts and sashes to the rooms and provide a fitting demonstration. Slip into this historic piece of clothing before making the 20-minute journey to Stirling Castle for a Gala reception and dinner. A bagpiper will welcome your group on arrival at this spectacular historical site, followed by a four-course dinner and the traditional address to the haggis. A Scottish night isn't complete without a Ceilidh dance, so get ready to move your feet! A Beat the Retreat Ceremony will bring the night's celebrations to a close, before heading back to Gleneagles for a final night cap (or two!) in The Century Bar.

DAY 3 HIGHLAND GAMES

8AM

It's going to be another jam-packed day, so get the carbs on board with our Strathearn breakfast.

10AM

Take the team to our world-renowned Gleneagles Shooting School. Why not participate in a clay pigeon shooting. Allow the adrenaline to kick in and challenge the team to a shooting competition, a healthy way to release your competitive side.

12:30PM

Gather with your clan and celebrate your shooting victory with a casual group lunch in The Dormy, afterwards why not take the opportunity to taste some of Scotland's finest whisky cosying by the fire in The Inglenook.

2PM

Head out to explore some of Scotland's most popular visitor attractions. Some local highlights with optional tours and within a 60 minute drive are: Scotland's oldest working distillery The Glenturret; crowning place of kings, Scone Palace; Outlander film locations such as Doune Castle; Scotland's first design museum V&A Dundee; luxury shopping at the House of Bruar; or explore the historic seaside town of St Andrews.

7PM

It's time to return to Gleneagles, where a cocktail reception in the Glendevon awaits, before immersing yourself in exceptional dishes created from Scotland's finest produce in The Strathearn or The Birnam restaurant.

DAY 4 SEE YOU SOON

9AM

After all that, you'll fancy a lazy start to the day so how about breakfast in bed with the papers. For those catching an early flight, we can set up a 'Grab & Go' breakfast in The Parlour, to make sure you are ready for the journey ahead.

11AM

If you still have a little extra time ahead of a long flight you may want to dust off the walking boots for a walk around one of our three beautiful Championship golf courses in equally beautiful settings.

2PM

That's the end of your rural retreat, but as The Glorious Playground has even more to offer, we look forward to welcoming you back to continue your countryside adventure.
