# Why Gleneagles?

A charming country estate, a rural adventure, a luxurious escape, a cosy retreat, a home from home – Gleneagles is a Glorious Playground like no other. Whether you're planning an intimate birthday, anniversary, or retirement celebration with a few friends, our team of friendly event planners have got you covered.

From flowers, fireworks and fabulous food, to menus, musical entertainment and muddy adventures, you'll be assigned your very own event manager – who'll have an initial chat with you about your budget and ideas, and then work with the teams across the estate to bring your vision to life!

# HERE'S TO THE SOIRÉES,

We've been throwing glamorous get-togethers and sparkling soirées here at the Glen for a century, so you might say we know a thing or two about a party.

Dance in the footsteps of royalty with a big band in our Ballroom; dine on a decadent feast in the rooms that have hosted poets, playwrights and presidents; or simply enjoy good conversation, country pursuits and Champagne with your closest friends.

Whatever your idea of a party – and whether you're celebrating an anniversary, a special birthday, a family reunion, a christening, a graduation, an engagement, or you're just looking for an excuse to let your hair down – we'd be thrilled to make it happen.

# OUR SUITES & ROOMS

# A stay at Gleneagles is *so much more* than just a room for the night.

Our rooms are as glorious as the landscape that frames them, which is why each of our bedrooms and suites offers the individuality of a boutique hotel – celebrating our rich heritage, our beautiful setting, and the charming traditions of the local area.

From our carefully curated antiques, paintings and books, to the locally-sourced Scottish textiles, paints and fabrics, all our bedrooms and suites are completely unique. Of course, they all feature TVs, luxurious bathroom amenities, complimentary Wi-Fi, heavenly mattresses, and beautiful furnishings and décor – all the things you would expect in a five-star country house – but it's the wee things that make the big difference.

# THE ROYAL LOCHNAGAR SUITE

The Royal Lochnagar, our best suite for over a century, has welcomed some of Gleneagles most noble guests over the years. This rich history and glamorous heritage has inspired the suite's beautiful new designs which feature the finest Scottish fabrics and textiles, antiques and carefully curated artwork.

Make an entrance in your marble hall; relax in your own private sitting and dining room, powder room and dressing room, and soak up the luxury of the en-suite bathroom which includes under-floor heating and a roll-top bathtub. Step inside your very own royal rural getaway and get ready for the most glorious of Gleneagles adventures to begin!

The Suite's opulent décor and sumptuous furnishings – including crystal chandeliers and a traditional canopy-dressed four-poster bed – create a space that is both grand and homely, while the sash bay windows, which look directly out across our estate and the Ochil Hills, provide the best views in the house.
