

SUMMER EVENING ADVENTURES PROGRAMME

We've got a new and exciting evening summer programme for children 8+ years. The perfect chance for your little ones to learn and develop new skills and friendships with our outdoor based activities whilst you enjoy a leisurely dinner or take a peaceful stroll around the grounds. Just drop them off with our team at The Trail Yard at 4.45pm (dressed for the Scottish weather!) and we will take care of the rest, providing dinner and refreshments.

EVENING TIMINGS

DESCRIPTION

16:45	Children to be dropped off at The Trail Yard by parents

ACTIVITIES

DESCRIPTION

ARCHERY

Learn the basics of target archery as our instructors teach, inform and develop your skills using our recurve bows in this ancient sport.

BOULDERING

Bouldering is a form of free climbing without the use of ropes or harnesses, building strength, determination and problem solving skills. With mats below to ensure safety, bouldering is an exciting sport for all skill levels.

CLIMBING

Get harnessed up, learn some basic techniques and safety tips and start climbing under the watchful eye of our Trail Yard team. With 40 ways to reach the top as well as a timed climb section, there's a challenge for everyone.

WOODLAND SKILLS

Learn how to light fires in a safe and relaxed environment. Practice different fire lighting methods and understand how fire is created and safely managed. Enjoy refreshments including smores, hot chocolate and popcorn.
